Option 1 – Move to Microsoft Dynamics 365 Business Central ERP and SylogistGov Cloud Apps

Endeavour Solutions is a top Microsoft Dynamics 365 ERP, CRM, and AI Cloud Solutions Partner in Canada with 90+ in-house advisors, consultants, trainers, developers, and project managers.

We've been supporting Microsoft Dynamics ERP for 35 years with a strong track record in performing migrations from **on-premise ERP to modern Cloud-based Business Central** ERP hosted by Microsoft in Canada.

Connect with Endeavour to assist in an evaluation of strategy and fit for Business Central and SylogistGov Cloud apps to meet your Upper Tier, Lower Tier, and Single Tier municipal needs.

Option 2 – Stay on Dynamics GP ERP with Support from our Team

Our large **GP Support North** team of Great Plains in-house Canadian consultants are here to support you and your 3rd party applications including **Diamond/Central Square** for quality and responsive support, training, and professional services.
